If you believe there is more to it, you are correct. There is a lot more that goes into ranking your Google Business Listing in a competitive market. Optimizing your Google Business Listing is just the very first step but a great place to start. Book a call with me, and I will perform a free scan to show you how your business is currently ranked for your category/primary keyword and how far it reaches. We can look at the competition and what it will take to get you in the Top 3 positions. We will discuss google maps, citations, backlinks, etc. At the very least I will give you a Cheat sheet on how to do this for yourself.
